THE GATEWAY TO KNOWLEDGE

Each fall McKendree's gate sees a class enter to be trained to be of service to God and their fellowmen. Each spring this same gate sees another class being sent forth with an education to be of service in the field for which they are best suited.

It was not all work. The leadership and participation in all activities will enable all young men and women to be of service to their community. The atmosphere of peacefulness and friendship within these gates will inspire them to live such lives with friends and families as they go through life.

TO MRS. NELL G. OPPITZ

We, of McKendree, proudly dedicate this 1947 McKendrean to you. To us you are one of the best teachers here on the Old Hill.

While here at McKendree, you have taught us not merely one subject but any requested. Your willingness to help has been greatly appreciated by us.

To you, a war mother, a Christian leader, and a pillar of McKendree, we pay this tribute.

SIGMA TAU DELTA

The Iota Delta chapter of Sigma Tau Delta, honorary English fraternity, has continued in its position as one of the leading organizations on the campus during this, its eleventh year.

This group has studied literary classics and contemporary literature in order to develop a greater appreciation of the leading masters in the field of writing. Original compositions have also been presented to the group and several have been printed in the Rectangle, the national fraternity publication.

ALPHA PSI OMEGA

The Alpha Theta Cast of Alpha Psi Omega, national honorary dramatic fraternity, snapped out of wartime inactivity with the pledging of several new members and the planning of college dramatics. The organization sponsored a theater party to the American Theater in St. Louis and made arrangements for the production of either a three-act or several one-act plays during the second semester of the school year.

SIGMA ZETA

Sigma Zeta is a national honorary science society whose purpose is to encourage scientific study and to recognize students of high scholarship in the natural sciences and mathematics. The Beta chapter at McKendree College was organized in 1926.

Officers: President, first semester, no election; second semester, Arthur Hinson; Recorder-Treasurer, Dean C. J. Stowell. Other members are Prof. H. C. Gutekunst, Prof. S. M. McClure and Dr. E. R. Spencer.

PHILOSOPHIAN LITERARY SOCIETY

Swelled by the addition of many returning servicemen, Philo, one of America's oldest college organizations, spent an active year. Four Open Sessions were held by the 110-year old society, including the Glenn McCormack Oratorical Contest, held annually in memory of a Philosophian killed during the first World War. Philo also cooperated with the other societies in presenting the Home-coming and Commencement exhibitions and in a joint banquet during the spring.

CLIONIAN LITERARY SOCIETY

When September of 1946 rolled around, the Clio members found it was the natural thing to enter Clio Hall for regular weekly meetings. Once again Clio made its place on McKendree's campus.

Highlights of a successful year were its two initiations, four Open Sessions, and its literary programs which were both serious and light. There is a spirit of fellowship, loyalty and cooperation which makes Clio an outstanding organization on the Old Hill.

PLATONIAN LITERARY SOCIETY

Plato, carrying on in its traditional way, has seen many improvements. Many promising veterans have joined the ranks of Plato's McKendreans

Plato's achievements are many Among these we find the adopting of a new constitution heading the list It has kept the fine tradition of good sportsmanship and at the same time topped the list in literary skill.

STUDENT CHRISTIAN ASSOCIATION

"In Unity There Is Strength!" This year saw the birth of the Student Christian Association as the two Y's combined in order to bring a higher type of religious program to our Christian fellowship.

The S.C.A. held regular Wednesday evening devotional services featuring a varied and talented group of speakers, and sponsored several successful all-school parties.

INTERNATIONAL STUDENT SOCIETY

The International Student Society, now in its fourth year, is an organization to promote fellowship among students of all lands.

Membership is limited to those who have had at least one year of foreign language and who are willing to correspond with foreign students.

In its monthly meetings the society studies other countries and tries to gain a better understanding of their problems. It also sponsored an assembly program.

McKENDREE G. I. CLUB

The McKendree Ex-G. I. Club opened its second semester of activity on September 17, 1946.

Numerous school activities were planned and sponsored, including skating parties, a chapel program, a ping-pong tournament, and an intramural basketball program. A formal banquet was held for all members and their dates at the close of the first semester.

Dean Charles J. Stowell was given an honorary membership for outstanding service to McKendree veterans.

STUDENT FACULTY COUNCIL

The Student Faculty Council is responsible for creating greater understanding between the faculty and the students on the campus. A democratic organization, the Council discusses current campus problems and possible solutions. The organization also planned the Thanksgiving Dinner.

The Council consists of six faculty members, chosen by the President and Chairman of the Council, Dr. Bracy, and six members representing six groups of students.

REVIEW STAFF

Starting with an untrained staff, the McKendree Review had, by the end of the first semester, published seven issues, two of which were six-page issues. One celebrated the twenty-fifth anniversary of the founding of the McKendree Review on November 15, 1921; the other was published preceding home-coming. The staff were guests of Mr. and Mrs. F. A. Behmyer. Mr. Behymer is a feature writer on the St. Louis Post-Dispatch. They were also guests of Mr. and Mrs. Leon Church of the Lebanon Advertiser, who initiated the group into the intricacies of the country weekly.

Plans were made to publish at least two more six-page issues during the second semester. One will be the Commencement Issue which will be distributed on Commencement Day.

McKENDREAN STAFF

We all look back on being on the McKendrean Staff and working together even though there was a lot of worry. Getting out an Annual isn't as easy as it sounds. Securing a photographer to come to the school to take pictures of all the students and organizations was merely one of our many "headaches." Many afternoons were used in making trips to St. Louis to arrange for the printing and the engraving. Other afternoons were given to securing ads. Meeting deadlines with the engraver and the printer was a job, but we finally made it.

An all-school stunt show was sponsored by the members of the staff the second semester. We, the 1947 McKendrean Staff, hope you enjoy the annual as much as we enjoyed getting it out. We sincerely hope that the memories in these pages will long remind all of that wonderful year together on the Old Hill.

GLEE CLUB

The College Chorus, under the direction of Miss Carla Caldwell, enjoyed a successful 1946-47 season.

The highlight of the season was the presentation of Handel's immortal oratorio, "The Messiah," on December 15.

The chorus provided special music in the Chapel and Assembly programs on several occasions. In addition, several trips were made in the second semester to surrounding churches. A spring concert of contemporary American music highlighted the activities of the chorus in the second semester.

GIRLS' SEXTETTE

The Girls' Sextette has provided music for special school occasions and has, upon special request, represented the college in outside communities.

Any college woman is eligible to become a member of the sextette. The final decision for membership is left to the director.

Six melodious girls' voices have blended together this past year for enjoyment and performance under the direction of Miss Carla Caldwell.

FOOTBALL

PAUL WHITNEY, Freshman Mt. Vernon
Guard One-year Letterman

Hailing from Mt. Vernon, Whitney was a dependable man on both defense and offense. His line play at guard was well above average.

ERNST "CORKY" BAILEY, Freshman
New Baden Fullback One-year Letterman

Playing under a handicap of a weak ankle, "Cork" was still a big gun in the Bearcats' backfield. "Cork" could pass, punt and place-kick with more than average ability.

GOLDEN ZIKE, Freshman Venice
Tackle One-year Letterman

"Goldie," the biggest linesman on the team, was a reliable man on the gridiron. "Goldie" will be around for three more years, and should see lots of action on the Bearcats' line.

BOB SIMPSON, Freshman Millstadt
Guard One-year Letterman

Bob appeared in uniform late, but was soon on par with the other boys. Lacking experience, Bob was willing to learn, and was very sincere in his play. Bob's defensive play was above average in every game he played.

ELVIS "ROSIE" ROSENBERGER, Freshman
Centralia Halfback One-year Letterman

Being the smallest man in the backfield didn't hold "Rosie" back. "Rosie" was one of the scrappiest men on the squad. His specialty was end runs and line plunges. His never-give-up spirit, his drive and defensive ability were outstanding.

JOHN HUFF, Freshman Granite City
Quarterback One-year Letterman

Huff was a good ball carrier, and one of the most consistent ground gainers for the Bearcats. Alternating with Briggs at the signal calling post, Huff proved himself a capable leader.

RICHARD PITTENGER, Freshman
Pocahontas Guard One-year Letterman

A Pocahontas lad, Pittenger played his first football this year. A hard blocker and a very good defensive man, Pittenger took more than his share of the line on defense. Pittenger was the most improved player on the team at the close of the season.

HOWARD HURSEY, Freshman
East St. Louis Guard One-year Letterman

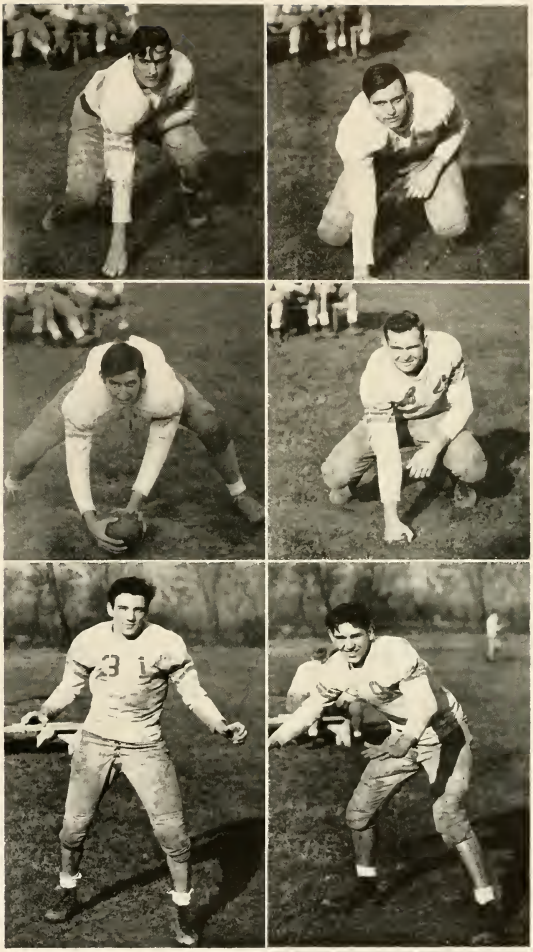
"Mad-dog" was the roughest linesman on the team. Although his play was limited because of a bad knee and ankle, he was rough and full of pep. Hursey did a lot to keep the spirit of the team at a high level.

MASON HOLMES, Freshman East St. Louis
Center One-year Letterman

"Mace" was a mighty good man at the pivot spot. His undying spirit and defensive ability were outstanding. "Mace" should prove a valuable asset to the building of next year's squad.

KENNETH AUSTIN, Freshman Evansville
Tackle One-year Letterman

One of the heaviest linesmen on the team, Ken plugged holes on defense and opened holes on offense. Fighting all the time, Ken was strictly a team man and fought to win.



BILL TOGIAS, Freshman East St. Louis
End One-year Letterman

Bill was a good pass-snatcher, and a hard man for the opposition to circle. Bill did more than his share to keep the team's spirit up. Hard tackles were the big specialty produced by Togias.

GENE KALTENBRONN, Freshman
New Baden End One-year Letterman

A New Baden product appeared on the gridiron for the first time this year. An eager listener and one willing to learn, Kaltenbronn became a very effective man at end on both offense and defense. He will be a big asset to the Bearcats his next three years.

JOE BIEDENBACH, Freshman
New Baden End One-year Letterman

Another New Baden product, Joe was a rough, hard-tackling man on defense and a hard blocker on offense. A lot can be expected from this gridder in the coming years.

BILL SAVITT, Freshman East St. Louis
Fullback One-year Letterman

Bill was the fastest man on the Bearcats' team. His specialty was hitting the line and he was a threat to the opposition at all times. Savitt should prove a valuable cog in building next year's squad.

ACTING CAPTAIN GENE BRIGGS
Freshman Granite City
Quarterback One-year Letterman

Briggs was one of the most versatile of the Bearcat backs, plunging, punting, running the ends, and tossing passes. Briggs, as a signal caller, proved himself a spirited and smart leader on the gridiron. Gene performed all functions with plenty of scrap for his team and his school.

BILL NAGEL, Freshman Lebanon
Halfback One-year Letterman

Playing football for the first time, Nagle was willing to learn and improved with each game. Bill did practically all of the punting and passing for the Bearcats, getting off several long punts and completing numerous passes for lots of yardage. Nagle should do big things on the gridiron next year.

ANTHONY MARKARIAN, Freshman
Oak Park Halfback One-year Letterman

"Mark" was a very capable man in the backfield. If given more of a chance, he could have become a triple-threat back. His drive, fight and ability were outstanding. Suffering from a broken nose, "Mark" was forced to retire from football before the close of the season.

BASKETBALL

ELVIS ROSENBERGER, Freshman
Centralia . . . Guard

"Rosie" comes from the basketball center of Southern Illinois. Sporting the two-handed kiss shot and plenty of speed, "Rosie" put forth readily for the Bearcats. Although small in stature, he played steadily and with success against all opposition.

WILLIAM GREGORY, Freshman
Lebanon . . . Forward

"Bill" was the boy who scored so consistently for the Bearcats. That deadly one-handed shot added numerous baskets to the Bearcats' score. Outstanding offensively, "Bill" was also good defensively. Always playing good steady ball, Gregory stopped many a rally by the opposition. Gregory's best shot percentage was in the Greenville game here. He caged 9 baskets out of 10 shots in the first half. "Bill" will be a valuable factor in the future Bearcat quintets

RICHARD PITTENGER, Freshman
Pocahontas . . . Guard

"Dick" was one of the most dependable men on the hardwood. His ball-handling ability was outstanding. Feeding passes to teammates for shots was his specialty. Never getting excited, "Dick" played the same brand of ball no matter what the score might be. This lad should prove a valuable asset to future Bearcat teams.

MASON HOLMES, Sophomore
East St. Louis . . . Center

Playing his second season in a Bearcat uniform, "Mace" has shown much improvement on the hardwood. His tireless spirit and rebound ability were valuable factors to the Bearcats.

JOHN CURTIS, Freshman
Mt. Vernon . . . Guard

Curtis was a solid stone in the building of the Bearcat five. Always dependable and alert, Johnny caged many goals on the opposition. Ability and speed permitted him to play excellent ball at all times.

DON WEHRLE, Freshman
Trenton . . . Forward

Improving rapidly from the start and having the will to win, Don became a regular and played his best game at home against Harris Teachers. He will be a handy man to have around next year.

KENNETH HARLAN, Freshman
Medora . . . Forward

"Kenny" was one of the Bearcats' dependable reserves. He played a good steady game at all times, and was accurate with his one-handed push shot. Experience will turn this lad into a good hardwood veteran for future Bearcat teams.

MIKE KATAYAMA, Freshman
Unity . . . Guard

Mike played good, steady basketball all season. He was outstanding as a ball handler. His coolness under fire was effective on the opposition. Mike was always there and could be counted upon to bring the ball across the line.

ROBERT BRANN
Manager

KENNETH AUSTIN, Freshman
Evansville . . . Guard

"Burly Q" is a good defensive man and when in action is an asset to the team's defensive stands. With experience and practice, this well-built player will become more potent on both defense and offense.

GLEASON LAGOW, Junior
Iuka . . . Forward

"Joe" is the smallest man on this year's team and is also the only upperclassman on the team. Even though his height handicaps him some, "Joe" is always fighting when in the game.

VICTOR DONALDSON, Sophomore
Shobonier . . . Guard

"Vic" was a game and dependable defensive man for the Cats. Playing good, steady basketball was the outstanding feature produced by Donaldson. "Vic" was in there on all rebounds and always did his share to spark the Bearcats to victory.

JOHN WINKLER, Freshman
Trenton . . . Guard

McKendree's fighting ball hawk, is one way to describe Winkler on the hardwood. John was the team's best defensive man, and quite often he scored on his accurate one-handed shots. Ability, willingness, and the desire to play basketball enabled Winkler to play good, heady basketball for the Bearcats.

CHEERLEADERS

Left to right: D. Faulkner, E. Jones, D. Goddard, H. Poole, D. Hinson, N. McRaven, B. Ford.

CHEERLEADERS

The cheerleaders, in their purple and white, did a grand job of leading McKendree's cheering section through both the football and basketball season. The cheerleaders could always be heard above anyone else. They were always on the job at every game with their snappy yells and familiar routines.

WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association, organized for the purpose of encouraging healthful living, good-will, and fellowship among students, has increased its membership this year to twenty-seven.

The W. A. A. sponsored several social functions for the entire school and has organized a volley ball and a basketball team.

The president of W. A. A. attended a state meeting at Jacksonville, Illinois, for the purpose of gaining information for the betterment of the organization.

HOME-COMING QUEEN

After perhaps the most heated campaign in the history of McKendree Home-comings, Doris Phillips Brown was finally selected by her fellow students to reign over the events of the day. Her coronation, impressively staged in the school's ancient Chapel, added much color to an already festive occasion.

Doris, a sophomore from East St. Louis, is extremely popular with both her faculty and student associates. As a McKendree girl, she represents a perfect blending of personality, beauty, and ability. More than one college organization takes pride in the fact that Queen Doris I is among its members.

This recently acquired royalty has not been her only recognition on the hill. Doris has been elected to membership in such organizations as Sigma Tau Delta, Clio, and the International Students' Society. She has served untiringly as one of the school's cheer leaders and on the staffs of both the McKendrean and the McKendree Review.

The presence of lovely Doris Phillips Brown as Home-coming Queen is among the pleasant memories to be cherished by students, faculty members, and returning graduates who were here for McKendree's annual reunion.

MAY FETE

MAY QUEEN

According to Mr. Webster, the word "crown" denotes anything which imparts beauty, splendor, or honor. The crowning of pretty Miriam Michels as 1947 May Queen certainly is in accord with that definition.

Miriam, a music student from Carlyle, was selected by vote of the student body to reign over the annual May Fete. Her elevation to the McKendree royal family comes as a fitting climax to a most successful college career. Miriam's talents are not confined to just being able to pose for beautiful pictures. An honor student, she was one of four McKendreans selected for a national "Who's Who" of American college students; she served as president of McKendree's honorary English fraternity; she played one of the leading roles in the play "Blithe Spirit." No recital or musical program could be considered complete without featuring Miss Michels as a pianist or vocalist or as both.

The colorful May Day festivities were held on McKendree's naturally beautiful north campus. Miss Dorothy Lee Faulkner of Granite City, also a pretty and popular co-ed, served as the queen's maid-of-honor.

WHO'S WHO

Miriam Michels, with her abilities in various fields, is an exception to the "beautiful but dumb" axiom. In addition to an outstanding academic record, Miriam has demonstrated her skill as a pianist, actress, vocalist, and leader in various clubs and organizations.

James Oppitz, a son of two of McKendree's teachers, established a reputation of his own here on the campus. By his diversified interests, he gained leadership in dramatics, debating and oratory, and journalism. Jim has been a familiar figure at McKendree for many years.

As president of the Student Association, Leslie Purdy has played an important role on the hill. His classroom work has been scholarly and he's been a leader in many organizations and activities. Les commands the respect of his many associates for his ability to get things done.

Rebecca Giles, a former editor of the McKendree Review and president of Sigma Tau Delta, has achieved an enviable reputation as a writer. The fine spirit, with which Beckie has entered into almost any task assigned her, is indeed highly commendable.

With Pride We Review Our Accomplishments

THE CLASS OF '47

Though the war has been over close to two years, our class still shows its effects. Twenty-three students will receive their diplomas, but only five of this number are from the original class of twenty-five starting college on that memorable September day in 1943.

The balance of this year's graduating class is composed of students who have had their college careers interrupted for various reasons. We have our share of ex-G. I.'s who have returned to the Old Hill.

Many are the memories we retain from these four years at McKendree. From the first sight we caught of our future Alma Mater to our last glimpse of the chapel spire as we leave the campus we have experienced all of the fun and work that can be experienced in four years.

Never to be forgotten are our freshman picnic and initiation. Even with three girls in the chapel tower we still couldn't ring the bell—maybe it was the lack of sufficient food on the picnic. As a result of our failure we submitted to initiation of dips in Lake Beautiful and walks through an unknown countryside at late hours of the night.

Included in that freshman year are memories of "the Dean." No freshman comp. class was or ever will be like that one in '43-'44. Nor is it likely that the dean of women will stack rooms or have hers stacked again.

Ours was a most earnest and devout class—each time we practiced our rain dance in P. E. we were rewarded with the sound of a downpour. Maybe those who had cut class to go to Belleville every chance they had were responsible, though.

Our sophomore year had its share of "happenings," too—especially that picnic in the rain. We did find shelter, though, didn't we? Plato's punch got tampered with that year—wonder who was mixed up in that?

The hey day of night classes occurred during our sophomore and junior classes—how long that two hours seemed each week. The shortest evening class in history was a certain social science class under the instruction of Dr. Yost. It wasn't exactly a complete boycott—the commuters were there. "Naughty Marietta" was worth seeing, though, wasn't it?—even if we did have 1,500-word papers to write as punishment.

The next year saw the arrival of Dr. Bracy on the campus. Though we couldn't visualize Dr. Yost leaving, Dr. Bracy soon won his place on the campus and in our college activities as our president.

Each year marked our attempt to keep the freshmen from ringing the chapel bell. Never has anything sounded as weird as the S.O.S. sounded by Pete and Roy at 6 a. m. That year we'd been so careful, too—even stood watch in shifts one night when a false alarm of the freshmen's departure was spread.

Summer school with its institute, preachers' school, and all of the work that accompanied them are land marks in our college experience.

Waitresses, waiters, and dish room helpers have had members of our class in their ranks for all special occasions on the campus. From our class came the ideas for High School Day and all-college leaf raking.

Because of the man-shortage the girls in our class assumed much of the work usually done by the fellows. For one and a half years we had but one boy in the class. Many are the hours spent unloading Booth Festival supplies, accompanied by Dr. Yost's encouraging electioneering, with pennies and pencils instead of cigars. Girl bellringers, potato peelers, pot and pan dish washers, and janitors were no novelty.

Midnight snacks of smuggled sandwiches, Clark Hall house meetings, McKendrean trips, walks to the channel, glee club, sextette, and "Y" trips, dorm fights, singing in the reception hall, serenades, and skating parties all go to make up our college memories.

Small classes are coming to be a thing of the past, but long will we remember and appreciate the special opportunity we had in "larnin'."

We hope that we have met the challenge and opportunities of college life in the best possible manner. We are proud to say we're McKendreans and hope that as the years go by we will be able to make McK proud of us.

THE CLASS OF '48

The class of '48, as Juniors on the Old Hill this year, are beginning to feel the weight and responsibility of being upperclassmen. As true McKendreans, our highest hopes are to uphold the traditions and ideals of our school.

Yes, our picnic was a failure as far as ringing the bell was concerned. However, then our fun ball started rolling, which made up for initiation. We entertained the school with our Freshman Formal Program, and ourselves with a wiener roast. Our all-freshman basketball team sailed through an undefeated season.

As sophomores we sponsored an all-school skating party to start a new semester in high.

This year we sponsored a much-enjoyed hayride, complete with cider and doughnuts. Our officers are Louis Walker, president; Eunice Hanbaum, vice-president; Elizabeth Crisp, secretary-treasurer.

As we accept our duties as seniors next year, we hope to remain faithful to our highest aims, and, in years to come, make McKendree proud to claim us as her sons and daughters.

THE CLASS OF '49

The class of '49 was the first to enroll at McKendree College after the close of World War II. Our first year here on the Old Hill proved to be a memorable one. We wore our green caps and bowed respectfully to upperclassmen, but secretly felt exalted because of our picnic and its great climax —the ringing of the chapel bell. We saw a freshman girl chosen to rule as Home-coming Queen and crowned at our formal chapel program. Our class took an active part throughout the school year in all activities and was surprised to find the first year at college had ended so quickly.

This year, as sophomores, we have gained many new members. And again, we've rejoiced to have a member of our class elected to reign as Home-coming Queen. We, the Sophomore Class, have enjoyed our two years of college life, and are eagerly looking forward to two more memory-making years at McKendree.

THE CLASS OF '50

When we timidly tripped along Centennial Walk early last fall, we were as green as the lush campus surrounding McKendree's picturesque old halls. A year on College Hill, however, has sufficed to effect a change which has left us far better equipped to face the world than we were upon entering school. We anticipate with pleasure the forthcoming years which will further develop our talents and leave us with a host of happy memories.

Among our accomplishments which have served to establish us on the Old Hill, the most gratifying was the chapel bell and the cessation of initiation hostilities. We displayed our talent and seriousness in a formal chapel program which gave promise of the future. At this chapel program the Freshmen saw their candidate serving as first maid of honor to the Home-coming Queen, and on the athletic field they have contributed their brawn and brain to the sports which are representative of the excellence of their alma mater. A new year and new Freshmen have left their glow on the post-war campus of McKendree College.
